Prince Philip

We are joining the Country in remembering the life of Prince Philip and his support to the Queen. As Christians we are also able to pray for him and the Royal Family at this time. Unfortunately he will not be able to have a State Funeral.

This reminds us of all the families who have had the difficult task of arranging funerals at this time. We cannot honour and mourn our dead as we should during this pandemic. I have thought for some time that it would be useful to have a Parish Team who could help families with arranging funerals and also with bereavement. Not just during the pandemic but also for the future. One good thing that has come out of this time of crisis is the use of technology. It is possible at the Forest Crematorium to have the service live-streamed so people can watch from home. If I do a Mass/service in the Church, we then seek to make the follow on at the Crematorium into a second appropriate service for the sake of relatives at home or abroad. Just as people have felt connected through having our Masses online so we are able to include those who cannot be physically present with us. This pandemic is a curse but it also presents us with new opportunities. Having never done FaceTime before I am surprised how normal it now is to join with family or have Parish meetings online. In this same way we will be able to join in with Prince Philip's funeral. Normally a televised Royal occasion is with the camera looking on. The event isn't organised around the camera, it is arranged for the benefit of those who are physically present. This occasion will be different; it will very much take place with the cameras centre stage.

The people of the island of Tanna, east of Australia worshipped Prince Philip as a God. The day after Philip's death the island suffered an earthquake! Now what will they make of that?

Bless Prince Philip and us all at this time. Barnabas

Missio Red Boxes - Newent

In 2020, our community of Our Lady of Lourdes, Newent raised £481 through our Red Boxes and donations to Missio and the Mill Hill Missionaries. Thank you! Communities around the world are so grateful that people in Newent are supporting them through prayer and our generous donations. The missionaries, and the communities they serve, are living in such difficult circumstances, made even harder by Covid 19. They have asked to pass on their thanks, and to tell you that they pray for us all. Find out more at missio.org.uk

Anne Forrester is now able to accept Red Boxes for emptying. Please bring them to mass with you, and either hand them to Anne - who is often stewarding - or ask someone to place them in the safe if she is not available. If you are unable to attend mass at present, and have a Red Box that requires emptying, please phone Anne on 01531 821218 and she will try to arrange to collect it from you.

The Lord's Larder Food Bank

The Lord's Larder Food Bank which serves the Forest of Dean, Newent, Leadon Vale and West of Severn areas provides basic food and toiletries to those in need through a voucher system. During COVID they have seen a massive increase in this need. If you would like to help this cause please leave a donation in the basket as you exit **Our Lady of Lourdes in Newent**. Thank you for your help.
