#### PARISH REGISTRATION FORMS

We would appreciate everyone taking a few minutes to complete a parish registration form. Even if you have already completed a form when we last asked 2 years ago, we need to update our records due to the 2018 GDPR laws. The forms are available in the church porch, and there is a post box at each of the Churches for the completed forms. The information is necessary as the Diocese requires numbers of people in our Parishes. It is useful if someone is sick and requires visiting or for people who live alone and have not been seen for a while. Details will not be passed to third parties and all the information given will be stored in line with the Diocese GDPR regulations. If you would like the Parish Newsletter and other information sent by email, then please indicate on the form.
